

Public Works and Building Department Report
 Council Meeting
 September 16, 2010

SIR FRANCIS DRAKE BOULEVARD PROJECTS

1. **Sir Francis Drake Boulevard Pedestrian Pathway**
 The project is going as scheduled and will be completed by mid-September.
2. **Sir Francis Drake Boulevard Overlay Project**
 The bid has been awarded to Ghilotti Bros., Inc. They are planning to start by mid-September and complete the work by the end of September.

LAGUNITAS BRIDGE

The Hanna Group has been updating our website “lagunitasbridge.com” regularly. You can follow the progress of the work in pictures. There were some technical issues with the concrete piling and the consultants/engineers are working on a solution. Depending on the process agreed upon to solve these technical issues, we might look at a few days delay. We will keep everyone up to date as soon as we know.

DED ELM TREES

We removed quite a few DED (Dutch Elm Disease) Elms. There were a lot of fallen branches around Town and we had to cut dangerous hangers.

TREE PLANTING ON LAGUNITAS ROAD

We bought the new water trailer and we have been watering the new trees on Lagunitas Road and it worked great. The Tree Committee members volunteered to help us water the trees and Jennifer Leathers helped Buzz water all the trees on Lagunitas Road on August 31st.

AROUND TOWN

1. We have been painting stops, lines and curbs around Town.
2. We painted T-marks for parking on Allen Avenue. The teachers are parking more cars in the same area and it is working out great.

3. Robert contacted the Ross School landscape contractor and the Town agreed to pay them to plant five 24” boxed Oaks in front of the school.

BUILDING PERMITS, RESALE INSPECTIONS AND BUSINESS LICENSES

In the month of August we issued 4 building permits with an actual valuation of \$5,761,104 and 4 plan-check permits with a future valuation of \$159,000. We scheduled 5 new resale inspections and processed 3. We processed 19 business licenses and collected \$1,485 in business license fees.
