

**Public Works Department
Monthly Town Council Report
January 2014**

1. Completing regular winter season ditch and catch basin cleaning.
2. Following up on measures identified in Risk Management survey.
3. Installed another 30" Stop sign at the Post Office parking lot exit cross walk.
4. Planted the 4th Elm tree in the Post Office parking lot. The last tree will be planted this month.
5. Repaired and adjusted the tennis courts gate closures and hinges.
6. Town Hall building locks rekeyed. Removed door lock between Council Chambers and Building office for fire exit safety.
7. Town has experienced an increase in missing street signs. We have been replacing them as soon as can be fabricated.
8. Building permits, business licenses and resale inspections (Income report attached)
In the month of January, 9 building permits were issued with a valuation of \$690652 and 6 plan-check permits with a future valuation of \$197,759. \$2,285 in resale inspection fees was received.
