Sound Amplification Permit

If the event will have any amplification of sound including voice, musical instruments, etc., a permit may be required. Ross Municipal Code 9.20.040 prohibits amplification of any sound or noise before nine a.m. or after ten p.m., except on Friday, Saturday, or the eve of a federal holiday when allowable hours of operation shall be between nine a.m. and eleven p.m. It also states that no person shall at any time use or operate any amplification of equipment in such a manner that it disturbs property owners in the neighborhood. Factors determining this include volume, nature, frequency, time of day, and planned duration. Ross Municipal Code 9.20.090 states that a permit may be issued authorizing noises prohibited by this chapter whenever it is found the public interest will be served. If it is determined that a permit is required, an application for a permit shall be in writing and accompanied by an application fee of \$5.00, and must be approved by the Public Works Dept, Chief of Police and Town Clerk.
