

SMOKE DETECTOR AND CARBON MONOXIDE ALARM

CERTIFICATE OF COMPLIANCE

Property Address: _____

Permit No.: _____

When the valuation of additions, alterations, or repairs to dwelling units exceeds \$1000.00, the following requirements apply:

- Smoke detector shall be installed in each sleeping room, outside each separate sleeping area in the immediate vicinity of the bedrooms, and on each additional story of the dwelling, including basements and habitable attics.
- For dwelling or sleeping units containing fuel burning appliances or having attached garages or fireplaces, carbon monoxide detectors shall be installed outside each separate sleeping area in the immediate vicinity of the bedrooms, and on each additional story of the dwelling, including basements.
- Multipurpose (combination carbon monoxide and smoke) alarms may be used.

I hereby certify that I have installed the smoke detectors and carbon monoxide alarm in accordance with the manufacture's instructions and compliance with the California Residential Code, California Building Code, and the California Health and Safety Code.

I declare that the foregoing is true and correct, and that this declaration was executed on the date of: _____

Owners/ Contractors Name (printed): _____

Owners/ Contractors Signature: _____

Note: This certificate is only used when normal access to the interior of the dwelling is not achieved during the course of the project.

The certificate must be returned to the Town of Ross building inspector prior to final sign-offs of all building permits requiring compliance.
