Background/Discussion:

The Town of Ross is in the process of updating the General Plan Housing Element for the Sixth Cycle. One of the main goals in the update process is to inform, engage and solicit input from the residents of Ross. On July 12, 2022, from 5:30p.m.-7:30 p.m., a Community Open House Number One will be held. The Community Open House is a time for residents to circulate through stations, review information and provide input on a variety of housing related topics. An overview of the Community Open House Number One will be provided during the Town Council meeting on June 16, 2022.
