Krista,

Thanks so much for sending this. We are in FULL SUPPORT of this measure. The slower the speed limits in town around the schools, the better, and we are so thankful that the Council is making this proposal. If passed, it will make our streets much safer for everyone, whether they are driving, walking, or riding a bike. Unfortunately, David and I are out of town Thursday/Friday, but I will see if Todd is free to go to represent Branson. If I cannot find someone to attend from my team, please feel free to use this note to share our support of the measure.

Thanks to everyone on the Council for putting safety first!

Best,
Chris
