Hi,

It has come to my attention that there are new sports/pickel courts being proposed to ADR so I would ask that the town council separate the existing courts from the new courts when discussing the pickle ball concern as there have **not** been complaints against the existing courts, I believe there are only 10 - 11 private courts and 2 - 3 public/private club courts in the town. In my opinion, the introduction of new courts in our town should be evaluated individually based on location/lot size/density of courts in the neighborhood etc.

Thank you,

Erica Bell

Hi,

I am writing to support pickle ball play on private ross courts. My husband and I are the owners of 2 Pomeroy Road and have a private tennis court. None of the court activity reaches a sound level any different than children playing basketball on nearby driveways or splashing in neighboring swimming pools. He sound of pickle ball is not even close to the loud noises of all the ongoing construction in the area which is typically happening at 1-2 nearby properties on any given day. Daytime sports should not be limited in the town of ross, we already have a noise ordinance in place for loud evening activities.

Thank you,

Hi

It has come to my attention that there are some discrepancies in the information provided to the town council regarding the new zoning ordinance. I am sorry that I was not able to catch these errors before the meeting. I will be providing a corrected copy of the ordinance to the council on Wednesday, July 2, 2014. I will also be available to meet with you on Wednesday, July 2, 2014, at 10:00 AM, to discuss the ordinance and answer any questions you may have. Please contact me at 908.418.1211 if you have any questions.

Thank you
