Subject: Pickleball in Ross

Hi Julie!
I hope you are doing well!

I am a Ross resident and am in favor of pickleball in Ross.
I live on Bridge Road and my direct neighbor has a tennis court and plays pickleball on it all the time. It is not a noise problem for me at all. I am happy people are out having fun, keeping in shape and enjoying each other.
Please do not vote to ban pickleball in Ross.

Sincerely,
Katie Kern
