Subject: [EXTERNAL] Ross Fire Station

Town Council –

My wife Erin and I have lived with our family in Ross since 2016 and our three children attend Ross Elementary School. I write to express my strong support for rebuilding the Ross Fire Station. It is very important for our family to have a fire station in Ross because it is essential to ensuring our security and safety in addition to maintaining property values and the insurability of our houses. We are willing to pay more in annual property taxes to support a bond measure to rebuild the station and donate to a charitable endowment in support of the station in the longer-term. We think this is one of the most important if not the most important issue facing the Town Council this year and we trust that the Town Council will do the right thing to protect Ross residents.

Regards,

Alex Earls
